

Below is an indication of the price the general public would pay for the Lenovo ThinkPad Gen 2 laptop.

The laptop chosen for our school use has had several components upgraded from the basic model which is reflected in the price on the right hand side, such as:

- Inter Core i5 upgraded from the basic model i3
- Display is Full HD (1920 x 1080) upgraded form HD (1366 x 768)
- 8GB DDR4 – upgraded from 4GB
- 256GB SSD (Solid State Drive) upgraded from 128GB SSD.
- 3 year warranty - mana

All of these upgrades make the laptop more suitable for school and home use.
