Laptop Program 2021 - Purchasing

Dear Parent/ Caregiver

As per previous communication, students commencing Year 9 and above in 2021, will be required to participate in our laptop program where parents opt to purchase a new Lenovo L13 or loan an older laptop.

You have already indicated you will be purchasing a laptop with the final cost being \$1,050 which includes a new laptop backpack.

The cost can be paid in full or spread over three years, which equates to \$87.50 per term. You will be invoiced in due course.

An initial deposit of \$90 is required. No device can be issued without the deposit being paid. If purchasing, please also contact Jo Gabriel, Finance Officer, to make a payment arrangement for the remaining laptop payments.

GENERAL INFO

- All laptops will have the required software for classes and access to online text books. These devices will be fully supported by the school's IT staff.
- Powering or charging of devices at school will not be possible due to WHS compliance advice.

SUMMARY FOR PURCHASING

- The purchase cost is \$1,050.
- This amount can be paid in full or spread over three years which equates to \$87.50 per term.
- Before any laptop is issued in Term 1, 2021, an initial deposit of \$90 is to be made before or during the first week of the school term.
- A Direct Debit or other payment arrangement for the remaining amount can be made by contacting Jo Gabriel, Finance Officer during office hours.
- All new laptops are covered by a three year manufacturer's warranty and batteries are covered by a one year warranty.
- The warranty covers manufacturer's defects and does not cover negligence, abuse, malicious or accidental damage (eg cracked LCD screens are not covered under warranty). Where damages occur or repairs are needed for non-warranty claims, all costs will be at the student's expense.

If you have any further questions or queries about this program, or payment arrangements, please do not hesitate to contact the school.

Yours sincerely
