

2022 - 2024

School Improvement Plan Summary

Bordertown High School

Goals	Targets	Challenge of Practice	Success Criteria
Increase student achievement in Writing to achieve SEA	2022: 15% increase in the number of Year 9 students (9 of 61) meeting SEA in Year 9 NAPLAN writing. 10% increase in the number of Year 7 students (5 of 45) meeting the SEA in year 7 NAPLAN writing	If we intentionally plan for and use high impact teaching strategies to explicitly teach linguistic and metacognitive strategies across all curriculum areas, then we will increase student achievement in writing	Students can use comprehension strategies to interpret and analyse texts Students are able to write for academic purpose Students identify and use appropriate writing genres across subject areas Students identify and use appropriate language conventions
	2023: 15% increase in the number of year 9 students (10 out of 62) meeting the SEA in Year 9 NAPLAN writing. 15% increase in the number of year 7 students (9 of 58) meeting SEA in year 7 NAPLAN Writing		
	2024:		

Increase the number of students achieving in higher bands mathematics	2022: 30% of Year 9 students (20 out of 62 students) to achieve in High Bands in NAPLAN Numeracy 25% of Year 7 students (15 of 58 students) to achieve in High Bands in NAPLAN Numeracy.	If we differentiate teaching by building multiple entry and exit points into tasks, with a focus on ' manipulatives to improve mastery ', then we will increase student achievement in the higher bands of middle school mathematics.	Students generalize mathematical concepts and procedures which can be applied to familiar and unfamiliar texts Students demonstrate proficient fluency and recall of basic number facts Students successfully complete inquiry based tasks using mathematical reasoning and problem solving techniques Students are able to articulate their next steps in mathematical learning, demonstrated through individual mathematics goals.
	2023: 30% of Year 9 students (20 out of 62 students) to achieve in High Bands in NAPLAN Numeracy 25% of Year 7 students (15 of 58 students) to achieve in High Bands in NAPLAN Numeracy.
