Reasons why we have a school uniform:

1. Safety and Security— Bordertown High School students are easily recognisable in uniform, both at school and on excursions. Similarly unauthorised persons are more easily noticed if they mingle among students.
2. Economy— school uniform clothing is usually more durable than fashion clothes.
3. Uniformity— teens often dress to please or impress their peer groups. Wearing school uniform reduces choice (and tension) about what to wear to school each day.
4. Dressing appropriately for the occasion— school uniform is appropriate for most student activities.
5. Pride in personal appearance— students feel proud to represent Bordertown High School and students portray positive images to visitors, staff and parents at school and in the community.
6. Work Health and Safety reasons.
